NOTICE OF ALLOWANCE

Allowable Subject Matter

1. It is in the opinion of the examiner that the art of record neither anticipates nor renders obvious "a first longitudinal slit located between the inner surface and the outer surface parallel to the tube bend plane" in combination with the rest of the claimed limitations set forth in the independent claim. Searching by the examiner yielded prior art as cited in the Office Action mailed May 9, 2006. Therefore, it is concluded by the examiner that claims 1, 3-5, and 7-16 of the present invention are allowable.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
